Church of Saint John The Baptist Bicentenary Celebrations Today

Following many months of hard work and preparation, the Bicentenary Celebrations of Johnswell Church will come to a head this afternoon with the celebration of its Bicentenary Mass at 3.00 p.m.

It should be remembered, of course, that the normal Sunday 10.00 a.m. mass is deferred as a result.

We congratulate the Johnswell community on this major milestone of their faith heritage, and we wish all involved in the actual ceremony and surrounding events every success as they reap the fruits of all their work.

Mission Sunday

Today we come together for a truly incredible celebration of solidarity and unity within our Church - World Mission Sunday! Today, every parish worldwide - and YOU - share what you can so the life-transforming work of missionaries can continue. Today, through your prayers and contributions, you are appreciating the dedication of our missionaries who live and work in communities that are struggling and often war-torn.

World Mission Sunday is coordinated by 'World Missions Ireland', originally known as the Pontifical Mission Societies and the Church's official charity for overseas mission. It is part of a worldwide network of over 120 charities. Many of the international offices go by the name 'Missio'. World Missions Ireland and their fellow charities ensure that today's contributions are distributed justly to where the need is greatest within our Universal Church.

Today, your prayers and generosity are helping spread the peace and love of Christ. If you have already given, we send our heartfelt thanks. If you have yet to give, please dig a little deeper and share what you can.

New Guidelines re. Requests for Baptism, Confirmation and Marriage Certificate Requests

(See sample Form on back page for completion AT THE PARISH OFFICE re. requests)

GDPR Regulations on the 25th of May 2018 requires the implementation of more safeguards around personal data. Many requests for copies of Baptism, Confirmation and Marriage Certificates are made. A new standard request form has been compiled to make it easier for Parishes to deal with such requests and to comply with GDPR Regulations (Form F001-1).

We now must adhere to the following guidelines: (However inconvenient, please note, our Secretary or Staff don't make these rules - but we are obliged to apply them!)

1. Please ensure that Form F001-1 is completed by all persons requesting a Sacramental Certificate.

2. If the person requesting the certificate **is known to you**, they are not required to produce up to date photographic identification.

3. If the person requesting the certificate **is not known to you**, the person must produce an up to date form of photographic identification. You do not need to take a copy of the photographic identification.

4. If the person authorised to collect the Sacramental Certificate is **not known to you**, photographic identification must be produced. You do not need to take a copy of the photographic identification.

5. Always ensure that the photographic identification **is in date**.

6. Parishes also receive **requests via e-mail or telephone** requiring copies of Sacramental Certificates. Such requests will be dealt with in the same way. If the person requesting the certificate is for example living abroad, e-mail the Request Form, which they must fill in and also scan in a copy of up to date photographic identification.

Once you have seen a copy of the up to date photographic identification, please ensure to then delete it from your records.

7. The same rules will then apply as in point 4 above re collection of certificates.

8. You can retain this request form for a period of 12 months and then **dispose safely by shredding**.
